(http://www.norpointmaritime.com/wp-content/uploads/2014/11/110414_StevenBentley-4092lowres.jpg) Steven Bentley, Chief Executive Officer

Mr. Bentley, Norpoint Group LLC CEO, Chief Safety Officer, and Training Center Director, has been involved with EMS, Security, and Government service since 1993. His career in EMS started with being a volunteer Firefighter/EMT in Washington State in 1993. Through the years Mr. Bentley has worked with Fire departments, USCG Auxiliary, Government Agencies such as DHS, FEMA, US Marshals, and top tier security firms up and down the west coast.

In 2006 he founded Norpoint Maritime, a maritime security and safety firm based in Seattle WA. Then, in 2013, he founded Norpoint Medical, an American Health and Safety Institute certified training center and WA State Licensed NGA EMS Agency. In 2014 Norpoint Tactical Security Division, concentrating on Professional Security Camera Systems and

Mr. Bernds numerous FEMA certifications in ICS/Emergency Management, Firefighter and IFSAAC instructor certified, active decorated Firefighter, EMT certified in numerous states, Level 9 certified BLS/ALS ASHI instructor, certified armed security trainer, numerous Firearm Certifications, Range Safety Officer certified, Department of Interior MOTC, and a host of other business and professional certifications.

Orrin Knutson, Chief Operations Officer

While serving in the United States Army Sgt. Knutson in his commitment to training, participated, coordinated as well as provided opposing force, developing more realistic training of his battalion's Medical, Scout, and Motor platoons. When he returned to the United States he signed on as the Marshal for Blackhawk, Colorado working with multiple agencies and leading a community effort for preparedness. Orrin Knutson also acted as member of Gilpin County Mountain Search and Rescue and eventually became the communications officer as well as volunteered with the Blackhawk Fire Department.

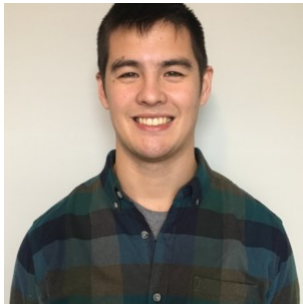

When he discontinued his law enforcement career and moved to the private sector worked for companies like Executive Protection, Storm Security Systems Inc, and Wackenhut. His job varied from bodyguard services and bail recovery to plant supervisor for security contracts. After relocating to Rock Springs, WY the next nine years were spent conducting computer information security & investigation operations as owner of Micro Media Inc. He also consulted for a variety of other private companies. Knutson maintained his commitment to training and has been committed to raising the bar for professionalism within the industry. After relocating to Washington State in 2002 he worked as a Security Professional and Private Investigator.

Mr. Knutson holds instructor credentials for Washington Department of Licensing, Washington Criminal Justice Training Commission, Oregon Department of Public Safety Standards and Training, and American Safety Health Institute. While working as an Operations Manager, Mr. Knutson supervised and directed over 500 Security Officers and currently teaches weekly private and public classes and certifications at various locations in Washington and Oregon.

Allen Hunt, ALS Instructor, FF/Paramedic

Mr. Hunt is a Level 8 ASHI approved instructor, WA State registered Paramedic, and current career Firefighter with Clallam County Fire District 2. Paramedic Allen Hunt has been in EMS for over 15 years working as an EMT, Paramedic, and Firefighter.
