# TACFLOW ACADEMY

***Established in 2009 – Proud Home of the Craft International Training Team***

## **What We Do**

Offering reality based tactical training for information seekers, the trailblazers, the protectors brave enough to question the status quo.

Our courses range from long range sniper courses, pistol, carbine, aerial platform, edged weapons, and hand to hand combatives. We are proud to teach all law abiding citizens, but specialize in profession specific courses designed specifically for the men and women on the front lines.

## WHO WE ARE

Tacflow Academy is lead by Rigo D. Lang, two of the original members of the Craft International training team.

Are you the old Craft with a different name? The answer is no. In 2009 Tacflow Academy was founded as Craft International, LLC as their exit strategy. We were devastated when Chris passed and Craft was forced to shut down. To honor Chris's memory and continue his mission, the Craft International Training Team stayed together and joined under the Tacflow Academy umbrella with the blessing of the family.

Since then, we have expanded our team and cadre of coaches. Rigo and Matt have mentored like-minded teachers who are passionate about teaching, but even more so, they are willing to share all of their knowledge to help others be more prepared. We show you how high speed we are, we help you and help you develop the knowledge to build your confidence to effectively handle pressure.

We are proud of our history and our
